Hi Carlos,

We were requested to suggest something located nearer to the metropolitan area. However, we can look at another suggestion for something at the San Pedro NCA. For us to be supportive and put together a tour suggestion, it would be helpful if you could provide me with some background on the meeting objective so we can tag onto that theme and be headed in the same direction.

Hi Joanie, we're aware that Secretary Kempthorne is planning on being in Arizona November 1-4. The Senator has been playing phone tag with him to discuss other issues, but just so you know, we are also going to ask him if he can meet with the Upper San Pedro Partnership. They have been trying to get a meeting with him, and we support such a meeting. I'm not sure what BLM was proposing he visit, but would this be an option on your agenda. I know FWS supports it as well.

Thanks,
